### **DOWNINGTOWN, PA – Zac Tassone Joins Continental FC Development Academy Coaching Staff**

Zac has been a valued member of Continental FC for over three years and recently was honored with our 2016 Boys Coach of the Year Award. He has been working with both Development Academy players as well as several successful USYS teams.

In addition to his duties at Continental FC, Zac has also spent 4 years as a teacher and athletic director at New Foundations Charter School in Northeast Philadelphia. He has a strong passion for education and ensuring that athletes are provided the proper environment and resources to help develop both on and off the field.

Prior to this, he was a full-time trainer at Total Soccer Academy in Downingtown where he focused on individual and team technical training for athletes of all levels.

Zac received a Bachelors of Education and Physical Education Certificate from West Chester University with a focus in business. During his tenure at West Chester University he was a 4-year starter; senior captain; president of the Student Athletic Advisory Committee which placed him at the forefront of athletic development at the school; and, created and executed multiple fundraisers/annual events which are still thriving today.

Zac currently holds a USSF "B" License and NSCAA Advanced Regional diploma and will be pursuing his USSF Youth "A" licensing in the coming year.

"We have grown tremendously as a family and community the past four years and I couldn't be happier to step into this role. I am honored to help with the development of our Academy as we work to improve each day."
