

# **CONTINENTAL** **FOOTBALL CLUB**

**Continental FC is excited to announce the club is joining the Northeast Boys ECNL.**

Continental FC and the Boys ECNL are excited to announce that we are part of the founding clubs in the Northeast Conference. The conference will kick-off competition in the 2017-2018 season in a groundbreaking moment for boys' soccer across the country as a qualifying conference for the ENPL. Founded to improve the daily environment for boys' youth soccer players through a holistic and collaborative club-based development program, the Boys ECNL will feature regular season conference competition and regular season cross-conference events for its member clubs. Qualifying teams, based on regular season performance, will advance to the post-season championship of the ENPL, along with qualifiers from various National Premier Leagues across the country.

“Continental FC is excited to be a founding member of the Boys ECNL starting in the 2017-18 Season. Having been a founding member to the Girls ECNL in 2009, we have full confidence that the platform for the boys will be able to provide them the same opportunities that our girls currently receive. The competition format from conference play to National Events will give our players the ability to showcase not only themselves, but Continental FC across the country.”

– Ged Quinn, Continental FC Director of Coaching
